“ Juanita Chambers was a true friend to me. My son introduced me to her and Jeff and I instantly liked them. She was the type of person who could be become your friend the minute she met you and that is the trait of a true Christian Woman. Like me she was a Mother in her church, and we both understood the meaning of that. Juanita was a beautiful and wonderful Christian and as a Christian myself, I know she is in our father’s arms. As we say in church, “I will see you in the by & by”. I want to say to the Chambers family you have my love to lean on down here, but rest easy Juanita is with God and in a place that knows no pain & sorrow. If you need me for anything just let me know. My Love goes out to you, Mother

“ Juanita will be truly missed by me, she has been a friend and sister to me. She was the most compassionate person in the world I ever met. She was kind and understanding, but her most outstanding trait was she was a “no nonsense” person and did not tolerate foolishness, and that is the main thing I liked about her. She would let you know how she felt and if she felt good about someone they could count on her being a good, truthful and loyal friend. She was also an astute businesswomen and a mentor to me, and as well as missing her love, I will truly miss her advice. She spent many days and nights driving children back and forth to the Shriners Children’s hospital in all kinds of weather, and that lets everybody who reads this know, that she truly was a “Rare Diamond”. This world is full of people who pretend to care for one another, but she demonstrated her care consistently. I know she is in the arms of God because she lived a life that truly deserves that honor. Rest in Peace my sister. Le Baron J. Lee Sr. & Family
