

Lillie B. Mann

January 8, 1956 - January 4, 2023

Lillie Bea Mann "aka" Tanzie was born on January 8, 1956 in Miami-Dade County, Florida to the late Otto and Bernice Mann. Most of us affectionately called her "Tanzie" because that was the nickname she was given as a child. She was educated in the Macon-County School System in Montezuma, Georgia. She graduated from D.F. Douglas High School in 1974 - "Go Hornets"

After her high-school graduation she moved to Miami, Florida to live with her father for a short time. She attended North Georgia College in Dahlonega, Georgia. After attending College she moved back to Miami and began her career. Lillie had several jobs but worked mostly in the legal clerical field and ended her career as a legal assistant at a law firm in downtown Miami. She was on vacation beginning December 23, 2022 but did not make her return date back to work on January 3, 2023.

Lillie was not affiliated with any particular denomination but she loved the Lord and spoke about how good God was to her. She believed in prayer and would pray with her co-workers for whatever their need was. Lillie had a big heart and was very generous in her giving. She was a kind person. She loved arts and crafts, sewing and definitely shopping. Lillie resided at Solano at Miramar in Miramar, Florida. We all know that she was a very private person and we all respected that.

During her lifetime, she never married and had no biological children. Even though she had no children of her own, she was a mentor and mother to all the children who came into her life. She loved children and you could depend on her spoiling them with gifts. Lillie had a few medical issues and on January 4, 2023 she made an earthly transition and now she rests in peace.

She leaves to cherish her memories, two sisters, Lucy Mann of Jacksonville, FL., Shirley Mann Christie (AI) of Miami Gardens, FL. and a host of nieces, nephews, aunties, uncles, cousins and many devoted friends.

Please leave the Family a note of Condolence, light a candle of remembrance, or order a floral remembrance piece.

Be comforted by these words:

Psalm 34:18

"The LORD is close to the brokenhearted and saves those who are crushed in spirit."

“ First condolences to the family, you will be missed by all who knew you young and old. You had a very warm smile that was inviting. I will miss our weekly 1-2 hour conversations, you always took time to talk. Our 20-25 year friendship can never be replaced; thank you for that. You rest in peace with the Lord, you were the most forgiving person I have ever met. Many blessings to the family. I love you girl and will cherish our friendship for ever.

“ Our dearest friend, Lillie. Thank you for your loyal friendship of the last 24 years. I will always remember you with great fondness, love, and laughter. You ALWAYS remembered Juany, my husband, my mom, and our mutual friend, Christine C. We were the 3 Musketeers back in the day. I am ever so grateful that you touched my heart all those years ago, and that you were a constant and loving friend. Even when friends do not see each other often, you and I always managed to pick up right from where we left off. Not to mention, as my former co-worker, you always had such a superior work ethic, a quality that most of us strive to achieve in our lifetime. You taught us so much, and I will always remember your wit, humor, wisdom and love for your family, friends and all those in the legal field. May you Rest in Peace, Lillie. Thank you for ALWAYS staying true to yourself; Heaven has gained a tremendous ANGEL. We love you forever, your Cuban motorcycle girl, your sista from another mother, Yvonne A.

“ Lillie B. Mann, you were and will always be my treasured friend. To hear of your passing was not only shocking but painful because I cannot imagine a time when I either called, texted or emailed you when you did not answer in that joyful way you always did saying "hey girl." You were a cheerleader to everyone. People have mentioned your generosity, your incredible work ethic and all of that is true but for me it was your heart that made it so easy for me to call you friend. No matter when I spoke to you, you asked about Sean (my son) and Simone (my niece) who are now in their 30's but you have always been a big fan of God's little ones. You always spoke fondly of your sisters, brother-in laws, dad and your preccious nieces and nephews and their accomplishments. You loved them with every fiber in your body. and you poured into so many young lives that I am sure God is saying to you "well done my good and faithful servant." My last conversation with you, and we always had some marathon talks, was on November 3, 2022 when I told you that it would be expensive but I think I am going to travel to Japan to visit Sean and his family and your words to me were, "yes Von, go to Japan because life is short." You even followed-up with a textt telling me to book my flight to Japan. Well, I did my friend and little did I know it but your precious life was short and I would not have the opportunity to tell you all about it. Your sister encouraged me when she told me you passed to speak to you and tell you about my trip because you see me and that brought me so much comfort. To know that you have not left us because you will always be in our hearts. Thank you for over 30 years of friendship my friend.Sleep well my dear Lillie, you can finally retire girl.Love, Vonceia "Von" Colden

“ Lillie was not only a co-worker but a dear and kindhearted friend to all she met. She meant so much to us during the 13 years she was at HMB and touched so many lives here at the Firm. I would pass her every day in the office and her gentle, and soft-spoken nature was always the calm you would need on a hectic day. She welcomed everyone. She helped everyone. Not just with work, but in their personal lives. She was the Firm's shopper. She had so many packages she would walk with daily I wondered how she would carry them all. Some were gifts for our children. Some were things she made with her own hand to demonstrate the love she had for our children. She was a proud woman. She was a private woman. She never asked for anything but gave so much. She was shining example of God's child and lived as God's child to her last days with us. Her soul will be missed. Lillie rest in peace. You have done your duty. You have honorably carried the Lord's flag on this earth to show others what it means to be kind and caring. We saw you. We learned. Now you must rest while we carry on the path you paved of love, respect and compassion for all. May the Lord be with you and may in comfort you in his light.

“ It has been such a pleasure to work with Lillie on legal cases through the years. She has always been a very sweet and kind person and although we worked on opposite sides of cases, I always loved to chat with her when we spoke. I will keep fond memories of Lillie. May she rest in eternal peace.

“ I was shocked and heartbroken when I heard the news. You were always so sweet and generous. We had many laughs and talks through my 7 years working with you. If there was anyone at the firm that was always willing to help any one of us that was you and with a smile on your face. Will always have great memories of you. Love, Jessie

“ It is an honor to celebrate the life of Lillie B. Mann. For more than a decade, Lillie graced the lives of everyone who had the pleasure of working with her, and her generosity extended well beyond the workday and professional life she led to touch the hearts of her extended family, which is to say, all of us. Personally, Lillie assisted me in every aspect of my life (and that of my family), by virtue of our work together. Whether it was as exceptional and experienced legal secretary in the field of maritime law, endlessly thoughtful co-worker, confidante, or simply dear friend, she is irreplaceable and lives on in heart and memory as kindness and generosity personified. It would be difficult to overstate the breadth of Lillie’s professional and personal reach: she assisted valued clients, conferred with judges and counsel, kept her team on time and on track, with equal consideration and grace—and always made time to help those around her. Lillie’s giving nature was especially manifest in all the children she loved and helped over the years. She participated in our lives vicariously and directly, whether it was vacation planning, prayerful support, or giving thoughtful and personal gifts on all occasions (and on a grand scale)! My kids were her kids; she gave our dear Luca love from his baby shower to Age 11! She spoke often and proudly of her beloved nieces and nephews, and all the children she has loved and cared for along the way. So many of the lawyer moms in our firm knew Lillie’s love and care firsthand. We honor her memory by appreciating all we have and the people who care for us, as she did. The loss of Lillie runs deep. She was a witness to our lives, she was a constant reassuring presence, she was a blessing. Thank you humbly Lillie, from my heart, where you will remain. With love, Elizabeth
