Llewelyn Yvonne Simpson

December 16, 1953 – April 7, 2026

We lovingly remember Ms. Llewelyn Yvonne Simpson, whose life touched so many and whose presence will be deeply missed.

Born on December 16, 1953, in Sebring, Florida, Llewelyn later made her home in Dania Beach, Florida, where she built a life centered around care, kindness, and service to others.

Llewelyn worked as an elementary school teacher, a role she carried with patience, warmth, and genuine love for children. She had a special way of encouraging young minds and making those around her feel valued. Teaching was more than her profession—it was part of who she was.

She will be remembered for her gentle spirit, caring heart, and the quiet way she made a difference in the lives of her family, friends, students, and community. Her memory will live on in the many people she inspired through her kindness and dedication.

Family and friends are invited to share a message of comfort or light a candle in her memory as we honor and celebrate her life.

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.”

Psalm 34:18

“ My most cherished memory of her will always be her voice. Every morning when I spoke with my best friend, she would make sure to say good morning, check in, and ask how the children and I were doing. At the end of the day, she would do the same, always making sure we were okay.

I'll never forget her singing “Happy Birthday” to me over the phone her voice always brought the biggest smile to my face. She will always be my Sagittarius Mama.

My best friend and I always missed her voice when she wasn't around. She was truly a part of our everyday life and hours long phone conversations that connected our two homes together. She would add her input on everything we talked about, whether it was something serious or just fun banter.

She answered all of our countless questions about “back in her day” and shared so many remedies and words of wisdom. I was on the phone with them through many breakfasts, dinners, doctor visits, store runs, and everything in between.

I miss her voice already, but everything she said is forever etched in my mind. Thank you for your kindness and love that you always showed me. Most of all, thank you for the gift of my best friend/ my sister. Rest well beautiful soul.

I have fond memories of Ms. Anthony when she was a teacher at Ebony Village School as part of a teaching staff that included my mom Dr. Josephine Ivey. She was always very welcoming and ready to give me some advice! On a recent trip home, I attended church at my home church Greater Mt. Zion AME in Dania, and I was happy to have been able to give her a hug, for what I know now was the last time. Rest well "My Dear Friend". Hopefully, I'll see you at the gate!
