

## Luke Honore'

June 10, 1952 - June 25, 2023

Luke Honore' 71, was born June 10, 1952 in Dominica, West Indies. He was a God-fearing man, a doting father, hard worker, caregiver, provider, friend and husband. He was jovial, fun loving, playful, and stern. He was short tempered and told it as it was but it was always from a good place. He enjoyed gardening and growing his own provisions, fishing, lover of music, and exceptional cook. As a father he taught his children the early principals of life, hard work, independence, life skills, and stressed the importance of education. His goal was to give his children a better life and in 1992 the sacrifice was made to move his family to America. He always told his children "Don't f\*\*k it up". He instilled the importance of faith with family morning devotions, nightly devotions, weekly bible study, and church on Sunday. In addition to his faith he was fun. He played card games, board games, dominoes, taught them how to swim, drive, fish, play cricket, and fix things. He was the man of the house and ensured the bills were paid, but it was not beneath him to cook and clean for his family. He did whatever he had to do to support his family and over the years held many jobs to do just that. As the world began to change, he made sure to keep up with it. He took computer courses and often times changed career industries from carpentry, to retail, to plumbing, and nursing. He was compassionate and ensured his sister and his mother was cared for in their time of need. When he retired back to his beloved home country of Dominica, he found his purpose by working with children in the welfare system. He treated these children like they were his

own. He cooked for them, cleaned after them, taught them, played with them, and provided discipline when necessary. He was sadly called home to our father on June 25, 2023.

Be comforted by these words:

John 14:1-6 KJV

"Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. And whither I go ye know, and the way ye know. Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way? Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."

“ Words will never be enough to express the pain I feel. But I am comforted in knowing that you lived a happy full life. You have been a pillar in my life and for my family. You leave something positive in every life you touch. The girls miss you greatly especially Ray and her backwash. You would be so proud of them as usual. You have left this life but you are in Christ and I am comforted that Heaven is your home. I will always love you in my heart. We will miss you greatly. Cherry and family

“ Oh my. Simply put,Im lost for words. It is indeed with profound sadness that I share on this platform my true sentiments and sympathy. Luke AKA Lukie,its been decades you and I had not crossed each others path, but for sure the thoughts and memories have always paid me a visit. I remember the calm smile you shared with me whenever we had met each other. You had a great sense of humor like your twin brother Alick. I remember vividly your cricketing skills as an off spin bowler and a good opening batsman/batter. Lukie my memory of you as not only a person,but more so,my first cousin,will last a lifetime. My deepest condolences to the entire family,especially popo and twin brother Alick. May you all find comfort in your time of bereavement.
