“ *From the earliest Christie reunions, Aunt Paulette has been a constant; always with a smile on her face, and full of fun and teasing. My deepest condolences to her family. The pictures say so much, but can never completely capture the depth of her love.*

“ Kris and sibs, your mom was the best! My introduction to her was watching her play spades at your house. I'll never forget it and when I sat down at the table she AND her partner decided to welcome me by talking mad crap. I never told you but I was scared. LOL. We lost but there was nothing like it. Your mom was so very knowledgeable. She remembered all of the birthdays of not only your family but your friends and my mom! Her knack for doing this made me be more mindful of remembering birthdays. She was a very special lady and will be truly missed. May God give your family the strength you'll need to get through this difficult time. I love you guys. ”

“ To the family of Paulette, I will miss Paulette she sat in front of me In church. She always kept me informed of the happenings in and around Miami. Paulette knew of cousins of mine that I didn't even know I had. She was a very knowledgeable person and didn't mind sharing what she knew with you. When I saw her at her happiest moments in church was when they sang a song i know she loved (JESUS IT'S JUST SOMETHING ABOUT THAT NAME )She would rock from side to side,swaying and singing with the biggest smile on her face at the end she always said I Love that song. My church sister take your rest we love you,but GOD loves you best. May Light perpetual shine forever upon you, May you Rest In Peace ”

“ *Heaven mustâ€™ve needed a mom There are so many things of Mom I miss, Your gentle hug and tender kiss. I still can hear your sweet, joyful voice, Thought I had more time with you but I didnâ€™t have a choice. A motherâ€™s job is never done, And Heaven mustâ€™ve needed one. So God whispered to you, â€œPaulette, take your rest.â€ Heaven needed a mom, so he took the best. Iâ€™m sure youâ€™re quite busy up there, I miss you so much, itâ€™s too much to bear. Iâ€™m sure youâ€™re playing the piano, a most beautiful song, With everyone in heaven singing along. I know youâ€™re at peace now, this I know, But Iâ€™m still not ready to see you go. Your funeral is tomorrow, so Iâ€™m trying to stay calm, Because I know heaven mustâ€™ve needed a mom. I close my eyes and still can see, You in my car right next to me. You werenâ€™t just my mom, you were my best friend. You had my back until the very end. I know you loved me, this much is true. Thereâ€™s nothing in the world for me that you wouldnâ€™t do. Mom, I love and miss you so, But heaven mustâ€™ve needed a special mom; thatâ€™s why you had to go. So how do I say goodbye to my best friend? Mom this is not goodbye, itâ€™s until we meet again. I love and miss you, Mom*

“ Rest In Peace dear Mrs. Booker. No more pain or suffering, you are now free to dance with the heavenly angels. You were truly an Angel here on earth. I remember having long conversations with you whenever I would come by to see Aikke. Even though I would say i couldn't stay long, it was long and we would talk and talk and talk. I remember your cheerful smile and will always remember your love for people and always caring for others. To the family, and my friend Aikke whom I call you my sis, you all will be in my prayers, take one day at a time, allow yourself to grieve and hold onto the great memories of your dear mom.
