“ *To the entire family of Mary Bullard; our sincere condolences and prayers of love are being extended to each of you during this time of grief and loss. We are here in prayer as you prepare for your loved one home going service. I am extremely grateful for her beautiful daughter Christina Bullard that allowed me to visit and meet her mom in person. She was a beautiful woman and joy to meet and pray over. Hold onto all those precious memories and great times you had with her and remember all the wonderful things she deposited into each of your lives. I know she will be missed in the natural.*
