“ Condolences to Mary Sands Williams' family and friends. I had the privilege of being her administrator. She was a phenomenal teacher and role model to her students and co-workers. A perfectionist in all that she did. We had Florida State in common and she would call me “Ms FSU”. Occasionally I would find a Seminole pencil, notebook or some small token on my desk. She was generous and kind beautiful inside and out. She and Coach James would spend hours with Coach Richardson prepping him for his observation. She wanted everyone to succeed. I will truly miss her and her contagious smile. With love and remembrance, Linda Humphrey
