“ It’s hard to sum up all the love and memories you have for someone. You will always be a sister and a friend to Kesha and I. The first time we went on a couples date was at Santa’s enchanted Forrest. I thought for sure security was gonna find us for all the cutting in line we did. Also, another-time we out to the club in Wilton Manors and even though we didn’t know it we got a chance to see you a few days before Father called you home. You are surrounded by so much love(Shirley your mother in law and us) and we love you and miss you.

“ I will always remember Michele confidently singing the wrong words to songs. I heard "Jack & Diane" the other day and thought of her.
