May these words sustain those who are burdened with sorrow:

Life is but a stopping place,

A pause in what's to be,

A resting place along the road,

to sweet eternity.

We all have different journeys.

Different paths along the way,

We all were meant to learn some things,

but never meant to stay...

Our destination is a place,

Far greater than we know.

For some the journey's quicker,

For some the journey's slow.

And when the journey finally ends,

We'll claim a great reward,

And find an everlasting peace,

Together with the lord

“ Awww man sis don't know we have soooooo many memories! We had just talked about your favorite memory of us and you said it was my hubby bday get away on South Beach for those 4days 3nights. I just really remember how you made it your mission to reserve that's suite and help me decorate the room for him with the candles and pedals. I'm going to miss being able to call you when im mentally not in control. I'm going to miss that fire in you to succeed! I love you and although your no longer physically here. It doesn't change my hurt because I can still feel you around spiritually and I want you to know you will still be my sister from a different mister?☐🍫😄🙏
