“ *There are so many beautiful memories that I can share. Days filled with zero cares, No concerns or worries of any kind, just young girl laughter, cheerleader skirts and fun filled days all perfectly intertwined. As we blossomed through each chapter, life began to change, fun began to fade and adult responsibilities now filled our days. Time and distance definitely got in the way, but a quick message here or there always made its way. God recruited a true warrior to attend to bigger things, although will be truly missed who could possibly fill your wings. Rest in peace my beautiful friend. Love Always, Brina*

“ It was a beautiful site to see Octavia growing up in Hallandale as neighbors. She was always full of joy with a warm smile. As God always does, picks the best for his rose garden. ?
