

## Odious Junius

May 9, 1947 - February 18, 2025

Odious Junius passed away on February 18, 2025. He worked as a farmer and was loved dearly by his family and friends. May God grant peace to the family.

Please keep the family in your thoughts and prayers during this time of bereavement. Additionally, you can support the family by leaving a note of condolence, sharing a memory, lighting a candle of remembrance, or ordering flowers for the service.

May those who are burdened with sorrow be sustained by these encouraging words:

Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road,  
to sweet eternity.  
We all have different journeys,  
Different paths along the way,  
We all were meant to learn some things,  
but never meant to stay...  
Our destination is a place,  
Far greater than we know.  
For some the journey's quicker,

For some the journey's slow.  
And when the journey finally ends,  
We'll claim a great reward,  
And find an everlasting peace,  
Together with the Lord.

“ *Dear Grandpa,  
I remember the times that you babysat me, while my mom worked long hours now that I'm a little older the short time you stayed with us I enjoyed every moment with you especially watching television. You would always get up and do your motions when we watched boxing , and that always made me laugh. I'm going to miss coming to see you at your job I always loved helping you feed the animals and the golf cart rides were my favorite. Grandpa your memory will always live on in my heart, I'll love you always.*

“ Dear Brother,

*I miss you more than words can express, life feel different without you, and I still can't believe you're really gone, there are so many things I wish I could tell you, moments I wish we could share, and times I wish I could have with you again. But I know you're always with me in my heart and in my memories. Thank you for being apart of life, for the laughter the love and the bond we shared. I'll carry you with me always. I've hoped you found peace and I promise to keep your memory alive in everything I do. Until we meet again, I'll love you always.*

*Your Brother,  
Trevor*
