“ My deepest condolences to all of the friends and family effected. Perita and I met back elementary school where we became good long time childhood friends. She always showed me love and I always gave it back. There are so many great memories growing up as kids , so this hit me harder than I expected. She will always have a clear and special place in my heart rooted in childhood memories that I will never forget. Thank you Rita for your essence and love. You will truly be missed mama.

“ My first cousin was such a beautiful person ,inside and outside. She was the sweetest person I know. I use to always look at her and say she look just like Auntie. (Her mom Auntie Esther). No matter where she saw me at she would greet me with a cousin and I love you with hugs and kisses. She will definitely be missed. ðŸ•ŠðŸ™ ðŸ¼ðŸ"ðŸ~ðŸ'ç
