Prince Miguel Pearson

June 15, 1970 – June 19, 2025

With deep respect and heartfelt remembrance, we announce the passing of Prince Miguel Pearson on June 19, 2025. Born in Lake City, Florida, and a resident of Daytona Beach, he dedicated his life to shaping young minds and hearts through the game of football.

As a college football coach, Prince Miguel was more than a mentor on the field—he was a role model, a leader, and a steady force in the lives of his players and colleagues. His passion for the sport was matched by his commitment to uplifting others and helping them reach their full potential.

He will be remembered for his strength, his guidance, and his unwavering belief in the power of teamwork and discipline. His impact will be felt far beyond the field for generations to come.

We invite you to share your memories, light a candle, or leave a message in his honor. Your words of comfort mean so much to his loved ones during this time.

To all who mourn Prince Miguel's passing, may these words offer peace and

strength:

Though his voice may be silent and his presence missed, the values he instilled and the lives he touched remain as a living legacy.

“Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.” — Joshua 1:9

“ The ministry of coaching is beautiful and powerful. Coach Pearson was gifted with the blessing of being able to teach young people the game of life through the sport of football. He was a part of the Wildcat Athletic family at Bethune-Cookman University where serving in our department was not our job but our ministry. He made it simple and because of his ability to teach life lessons and game plans he built championship lives.

We are so fortunate to have been able to work alongside him and his wife on our historic campus and we pray that the PEACE, POWER and GRACE of God will reign on the Pearson family as they celebrate the life and legacy of a man who was a shining example of what we want our sons to become in life as husbands, fathers and leaders.

“ Prince was my high school friend. He helped me out with my rap group in St Thomas Aquinas. He was my bodyguard and was eager to help me succeed in a concert we gave at Dillard High school Talent show. He was always a positive dude never angry always laughing and smiling with me. I love you Prince. I thank God for you being a positive person who was set in his goals and accomplishment them. I was so proud to see him coaching a college football team, incredible man. Prince I thank God for having you as real positive image in my life! ❤️
