“ *Dear family and friends of Joe,I am sorry to hear about your loss. The loss of a love one is very painful and can cause grief and sadness. God’s word the Bible provides us with a hope. In the Bible at Revelation chapter 21 and verse 4 it reassures us that God will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have pass away. We hold onto these words as promising and encouraging.*

Thanks for being my Father when I was Fatherless,my lawyer in the courtroom,my counselor when I needed counseling, my supporter in all my visions/dreams, for giving me comfort during the times when I felt I couldn't go on and most of all planting the Word of God in my life, making sure I will I always be equipped for the things to come. I remember you saying: Take the garbage out in your life and don't bring it back in. I placed you in my heart long time ago and that's where you will stay. To my bereave family, I know this is a tough time, our head is hanging low,our eyes are filled with tears, we all know he wanted to see us do is serve God in and outside of church and to hear God say Well Done when his day came. I'm sure he's getting his and his heavenly voice to sing..He will be miss but never forgotten...*

Johnson was there for all my major mile stones in my family life.....he married me 1977, christened my daughter in 1979, married her 2002....he wouldÂ frequently come by my dad store to shop and tell stories about how he loved to cook and eat....due to my health....I did not attend church these last few years after surgery, I missed my church family.....I ask Rev.
