“ Mr. Robert’s was such a kind man! He was so fun as a teacher! I only had him for Drivers Ed and I’m afraid I gave him many gray hairs as he tried to teach me to drive. He will be missed! Prayers to Mrs. Robert and family as they grieve.

“ Mr. Roberts was my Driver’s Ed instructor. I credit him with teaching me how to change a tire in a dress. He was a funny man. My condolences to Charlene and the family.

“ On our last meeting he was very annoyed with the lack of professionalism shown by a referee. While Ron had the right position, he was showing the wrong disposition. I politely told him this and he humbly thanked me and did not address the issue anymore. He knew how to stand for right and knew how to respond if he was in the wrong.
