

Rupert Spence

February 5, 1944 - January 15, 2025

Mr. Rupert Spence passed away on January 15, 2025. He worked as a banquet server in the hospitality industry. He was a native of Jamaica and made his home in Miramar with his wife Avis Watson-Spence. He was loved by his family and will be deeply missed by all who had the opportunity to know him.

Please keep the family in your thoughts and prayers during this time of bereavement. Additionally, you can support the family by leaving a note of condolence, sharing a memory, lighting a candle of remembrance, or ordering flowers for the service.

May these words sustain those who are burdened with sorrow:

God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.

“ *I'll never forget your dad's kindness, generosity, and his love to feed and host friends and family. I recall the last time we were together. He gave me a large plate of food that could serve for several sittings. That day, we spent a good time talking and laughing Mr. George (Dad) was an incredible person, a great father, friend, and I'm honored to have known him. Paula, I know how much he meant to you. Dad (I called him Dad also) will always be with you in spirit. Sending you and the family all my love, hugs, and condolences.*

“ I cannot remember the first time I met Uncle (Money) George. But, what I do recall is that he was always flitting in and out of my life. In retrospect, this was probably when he worked on the ship. I reminisce on his good-humored cheerfulness, his jovial attitude at all times. I was fascinated with the fact that he was my “young” uncle. Later on, when I emigrated to the United States in early 80’s, he became a pillar in my life. He was the column that held our family together. He was constantly calling and introducing me to family members and was instrumental in helping me build my family tree. One thing that was constant with Uncle George. Be sure that he would call on all major holidays. I know I was busy on Christmas Day and the next day, I found it strange that I didn’t hear from Uncle George, only to find out a week later that he was in the hospital. Uncle George, I will surely miss you, miss your phone calls, miss our talks. I am sorry I didn’t get to say goodbye. I will never forget you and will always cherish your last voicemail to me on Thanksgiving Day.....Until we meet again.....Your niece Carol

I was deeply saddened to hear about the passing of Uncle George. Please accept my heartfelt condolences during this difficult time. I know how much he meant to you and to everyone who had the privilege of knowing him.

Uncle George was a generous man—kind, wise, and full of warmth, with a deep love for his family. I will always cherish the stories he shared during his visits to Montreal. His presence brought so much joy, and he will be dearly missed.

We love you and miss you. May your soul rest in peace. And please, say hello to Grandpa for me.

*With love,
Your niece Rebekah*
