“ My dear, sweet Shakira. I don't have the words to express how great of a loss your loved ones are experiencing. I know you are with your mom, but I'd rather have you here for much longer. There's big news I had to share with you and I wanted to celebrate. I love you so much friend. You will forever live in my heart. There aren't enough people like you. You were a great friend, kind sister, loving mother, and dutiful daughter. Despite any hardship that came your way, you made it through the other side stronger, braver, and wiser. Until we meet again, I know you are there cheering us all on. I love you dearly. This pain is unbearable ðŸ”™, I will take a page from book and press on.
