that where I am, there ye may be also. 4 And whither I go ye know, and the way ye know. 5 Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way? 6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

“ Her small still voice, her beautiful smile, her laugh , her dedication, her care, her compassion, her love, these are the things I will miss most about Griggs. Walking by her office each day, it was always refreshing to see her door open and feeling welcomed no matter what she might have been doing. It was so great to hear Griggs catch me off guard when I was so focused , "Good morning Mrs Beckford!" She knew how to brighten my day. I am so thankful that I had the chance to see His beauty in her. Although none of us every knows the time, I am just so glad the last words I said to Griggs just a few weeks ago was Thank you . To the family, my sincere condolences and thank you for sharing her with us. It's because of your love and compassion that she knew how to demonstrate the same.

“ Ms.Griggs was the sweetest. Helped me when I had any questions and answered to the many emails I sent her. My favorite thing about Ms.Griggs is that she never once got annoyed and even when she was busy she always made time. She referred to her students as her babies and always had a big smile on her face. Ms.Griggs will forever be in my heart.~Condolences to her family, I hope that God gives you strength during this difficult time.

“ I was so blessed to have known such a beautiful person inside and out. Shalonda was a person that I wish I had known for ever but felt like I did. She will be missed everyday but will remain in my heart forever. Her smile is contagious and I know that I am a better person because she called me friend. Rest in peace in our loving Saviors arms.

“ *Words cannot express how much Ms. Griggs meant to the McArthur Mustang Family and myself as her fellow colleague. She was the type of person who would do whatever she can for you. She always had the what can I do for you attitude and that is something you rarely find in an individual. My prayers and thoughts will always be with you all. She will be greatly missed and it was an honor in calling her a colleague. She touched many lives!*

“ Thank you Ms. Griggs for all the time and effort you have put towards my educational growth and development. The last email I sent you was January 19th and 11:00 pm and you responded at 11:02 pm. You have always been prompt in response. You answered my insane amount of questions. You allowed me to pursue early graduation and I am so thankful for that. My senior year is possible because of you. You structured my complicated schedule without showing any form of annoyance despite me constantly emailing you and visiting your office. You loved getting to know us and assist us in our educational career. I am extremely thankful, appreciative, and honored to have had you as my counselor. Luke 23:43 - And he said to him, Truly, I say to you, today you will be with me in Paradise. Rest in Paradise Ms. Griggs.

“ My deepest condolences to the Griggs family. To me, she was my guidance counselor. I was a member of her first graduating class at McArthur, and spent many days sitting in her office talking about anything and everything. I remember that when it came time for graduation, she was just so excited for all of our new endeavors, while saddened to lose her students. Although many of us never let her forget us, always visiting when school was not in session. It was a true joy to catch up with her because she was always patient, kind, and warm. I will always cherish my memories with her. May your memory continue to live on in our hearts.

“ I was so shocked and tremendously saddened by the news of Shalonda's passing. I started a new position a few years ago in which I was fortunate enough to work with Shalonda. She was so kind and supportive of me, especially when I made really dumb mistakes. I will always remember her for her patience, openness and tremendous kindness to me and to her students. McArthur has suffered a real loss and I know that your family feels that loss intensely. I am so so sorry. May God be with you.

“ GG and my God daughter Nedra were inseparable all through school up to their almost college years where they did part. I watched her grow into a wonderful, caring, and loyal friend to my baby Nedra and God mother herself to Nedras children. GGs family embraced Nedra as their family. She was my first grandchilds Guidance Counselor at McArthur HS which gave me assurance that he would be just fine there because she would keep watch. What a beautiful soul that is gone much to soon God I just dont understand Rest In Glory GEE GEE
