

## Shirley Ann Doster

May 19, 1961 - January 16, 2023

Who can capture the entire essence of a woman who meant so much to many? Shirley Ann Doster was a God fearing woman who was the matriarch of her family. She was loved by so many and touched the lives of many while walking with us on Earth. God called her home on January 16, 2023. Although she will be missed, we find comfort in knowing she will forever be guiding us as our heavenly Angel.

Full obituary will be made available soon.

Please leave the family a note of condolence, light a candle of remembrance, or order a floral remembrance piece.

Be comforted by these words:

Matthew 5:4

"Blessed are those who mourn, for they shall be comforted."

“ I didn’t know you very well, but when you entered your birthday party I knew you WERE the party. Such a great mom. You had a smile that was really welcoming. And when we had the BBQ that Bashara was hosting lol oh man you made me laugh all day while I was on the grill because you weren’t having it. It’s never easy saying good bye to a love one especially when it’s someone with a heart and personality like yours. I pray your family finds comfort and love during this time. Your daughters and grand babies will truly miss you and have so many memories to share on of how special you are. May you rest in peace.
