“My dearest mother, As I sit here, I cannot help but feel an overwhelming sense of sadness and heartbreak for not having you here by my side. I miss hearing your melodious voice and feeling your reassuring presence during my darkest hours. Your encouragement and unwavering support have been the pillars that kept me going, and I will always be grateful for that. Despite the pain of losing you, I will continue to make you proud of me and Elijah. We will honor and carry on the legacy you left behind, and I promise to follow the path you set for us with steadfastness and dedication. Even in your absence, your guidance and love will continue to guide us through life. I find solace in knowing that you are no longer suffering or in pain, and that you are now resting in the bosom of God. I can only imagine the peace and joy you must be feeling in His presence. Thank you for being the most amazing mother anyone could ever have. Thank you for being a loving grandmother to Elijah and his biggest cheerleader. Your love and devotion to us will always be a cherished memory, and we will forever hold you close in our hearts. Rest in peace, my dear mother. Until we meet again. With all my love, Terryann Gordon”

“ My dear Ena and Family, I send my heartfelt condolences to the entire family of Mrs. Green. I know what it is to lose a loved one. we know that God does not make mistakes, he only takes the best. I pray that God will grant you some measure of comfort during this difficult time. We know to be absent from the body is to be present with the Lord and that weeping endures for the night, but joy comes in the morning. Keeping you all in my thoughts and prayers. God loves you and so do I. Rest in Heavenly Peace Mrs. Green.

Green was indeed a true and sincere Christian lady and she is now resting peacefully on the other side. I know that you all will miss her dearly, so cry if you must because tears are a language that God understands. May the Lord Jesus Christ give you all peace and comfort during this difficult time.
