Thomas Lorenzo Glass

April 5, 1958 – March 31, 2025

We pause to honor and remember the life of Thomas Lorenzo Glass, who passed away on March 31, 2025. Born and raised in Miami, Florida, Thomas remained rooted in the city he loved. A dedicated correctional officer, he served with strength, integrity, and a commitment to justice.

Thomas was a man of quiet courage and unwavering principle. His presence was steady, his word dependable, and his heart devoted to those he loved. To know him was to know someone who stood firm in his beliefs and walked through life with dignity and respect.

We invite you to share your thoughts, memories, or light a candle in Thomas's honor by clicking the link below. Your words of comfort mean the world to his family during this time.

It is our hope that these words bring comfort and peace to those who loved him.

A Man Like No Other

God made a man, strong yet kind,

With a watchful eye and a thoughtful mind.  
He walked with purpose, never fast,  
Carrying lessons from his past.

In silence, he guarded, in faith, he stood,  
Choosing what was right, and doing what was good.  
A protector by nature, a provider by role,  
A man with deep love and a faithful soul.

“The steps of a good man are ordered by the Lord, and He delighteth in his way.” – Psalm 37:23

Now he rests from labor, his journey done,  
Welcomed home by the Father and the Son.  
His badge laid down, his burden light,  
He walks in peace and heavenly light.

May his life remind us of what it means to stand tall,  
And may his legacy live on in us all.

“ *In Loving Memory*

*Though the world might call him my stepfather, he was — and always will be — my father in every way that matters. From the age of eight, he took me in and raised me with love, patience, and unwavering dedication. He taught me how to be industrious, studious, honest, and organized. He instilled in me the values of integrity, the importance of family, how to budget wisely, and the balance between working hard and enjoying life’s rewards.*

*So much of who I am today is because of him. The world has lost a truly good man, and it is a little less bright without him in it. I will carry his lessons, his spirit, and his love with me always.*

“ *Lieutenant Glass was top notch, knew when to turn it on and when to shut it down. Having worked with him for so many years, his professionalism & mannerism was inspiring translated to the Sergeant I became and retired as. May you Rest-In-Peace my brother. CA*
