Val, you were a rare kind of person, your kindness stuck out like a sore thumb and yet you were very humble with, you needed nothing in return nor a highlight, you just wanted to help everyone you could. I miss that contagious laughter and beautiful smile of yours. Heaven gained a good one, miss you so much.

“ Val — you are going to be missed by so many people. You touched so many lives in your short time on this earth, more than you probably ever realized. Your kindness, your laughter, your presence—it made a difference. You made people feel seen, heard, and loved.

It’s hard to understand why someone so full of life had to go so soon. But the impact you left behind is something no time can erase. You’ll live on in our memories, in the stories we’ll tell, and in the love we’ll carry forward in your name.

Rest easy, Val. You’ll never be forgotten.

“ Valarie, I met you because I was Amonti's 4th grade teacher and you always were always there for anything I needed. I am so glad Amonti and I kept in touch and that allowed me to still communicate with you. This is so shocking and my prayers are with the family at this time. Valarie was such a sweet person and she will be missed. Will be here for Amonti. Mrs Nancy Reid and family.
