“ Aunty Nicey it really sad to see you go. I will certainly miss you. I prayed for you so much and had faith that God would heal you but he chose to take you instead. You're are always smiling regardless of what you are going through and that I hope to emulate. You never complain. Each time I call to check on you, you were joyful you put the best on the outside. Rest well my aunty for you are only taking a rest to awaken to your eternal reward. My condolences to the family you are in my prayers. May God grant you added strength.Â Joy

“ This earth angel is one of the most self less person I've ever met. She'd literally give you her last. I reckon that's why she was affectionately called Miss Nicely, she made me feel loved and made me a a part of her family and she was never too busy to give me motherly advice and guidance. I'llÂ forever hold our memories dear and forgetting you will be impossible. One of the first things all who knew her would see is her mega mega watt smile. You'll never be around her and unhappy, just her smile or a simple sentence would make you forget your issue. I love you mommy, forever in my heart.Â

“ From the first time i met you it was a pleasant experience you never treated me as Sandra's brother David you always called me son both in person and on our conversations on the phone and this meant a lot to me. After listening to everyone speak about you it seems you were so loving to all. I am honored to have known you and more honored that even though i am not your child from birth to have been able to call you Mom. You will be missed but as the pastor stated never forgotten.Â

“ *A beautiful person has gone to higher calling, Mrs Veronica we called her was our second mom, so humble, so gracious, so loving, so classical, so respectful, so human God shared us with her immediate family and she became a part of the Levy's family. I admired her patience her caring her loving and regardless of whatever circumstances she was the one to keep us strong with her calm personality.. I could so on for hours as she was a champion ...Ruel and all the family we will keep you in our prayers and may God keep you strong. I love you always mrs. V. hope you will see my mammy Mae and you both can catch up on old times.*
