I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. 4 And whither I go ye know, and the way ye know. 5 Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way?

6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

“ *Dear Mommy... I'm missing you more and more everyday... I can't believe this our reality, not being able to see, hug nor call you is so hard to bare ðŸ™¸"... Knowing you're resting in Heaven with your God is my only comfort and strength to cope with this. You were a Woman of God and you always taught us to trust and believe in his will and his way ðŸ™¸ for that I thank you! There's nothing I wouldn't do, to have the opportunity just to smell or hold you again... Rest well my girl! "Sister Virginia" Until we meet again....Loving You for ETERNITY,Mika*

“ Virginia, You will always be remembered as a dear friend, one who Loved God no matter what was going on in Life, Loved your Family and took very good care of them. A true encourager to many. I will always remember countless times my late Husband James ( Jimmy) and I would share with you over dinner, trips especially when our children were toddlers. You always offered to lend a helping hand. You have fought a good fight of faith and have graduated to your eternal rest with God. We will always Love and remember you.

“ Virginia "Woman" Scott.â€” Thanks for guiding me to become the man I am today.â€” You often celebrated me for my success without taking credit for paving the way when there seemed to be no way.â€” I could not have asked for a better person, mother, or friend to be in my life.â€” You are the true definition of a "Woman".â€” I LOVE you so much!â€” RIP Mom.

“ Mom, You are and will always be my inspiration.â€” I am thankful to have had such a loving, caring, strong, intelligent, charming, passionate, dedicated, person like you in my life.â€” You always made a way for your family even when there seemed to be no path possible.â€” People who encountered you, knew your heart and genuine care for them.â€” My life, my days, and my daily conversations will not be the same because you are no longer with us.â€” I promise your legacy will live on.â€” I love you Mom and will miss you so, so much.â€” RIP knowing you have done well!
