“ Ms. Vivian was more than a hairdresser to me. I started going to her when she was on Hollywood Blvd next to Sally's. I was referred to her by one of my coworkers. I was so impressed because my coworker said she was going to get her hair done on her hour lunch break. I said well you know you will not be done on an hour. Low and behold she came back with her hair looking good and still had some time left for lunch. I said to her I need to go where you go. So I started going and got my mom to go. I loved the fact whatever time your appointment was that is the time she started. Your time was your time. Plus I got a chance to meet her Beautiful family. May God give yo all strength during this time. two hearts two hearts:
