“ *Golden 95...I can write a book about Cola (Grandma) AKA what I call her Triple OG Cola but it would never end. For 95 years God has granted you LIFE on this side with US. For 95 years you loved, loss, shared, taught, fought, cried and shined bright in a lot of lives. To say I'm sad would be true because I'm going to miss you. But at least I can say my heart has been filled with so many memories. I've been nourished well, I've gained wisdom unmatched, my insight on life has been sharpened by the BEST and I've experienced true love like only a grandma like you could give it! That means more to me than being sad about your assignment here on Earth ending. Love you beyond here....Neka*

“ Psalms 23 - The lord is my shepherd I shall not want. To my beloved grandma, you was such a STRONG woman which is an understatement. You was like the energizer bunny that kept going and going. Many times you fell down and got right back up. Quiter was never in your vocabulary. One thing is for sure you was never defeated. I can truly say that you ran the race, you finished it well and you have earned your crown. Rest on my beautiful lady. You will be missed greatly and I promise to keep pressing on as I know you would want me to do. I love uou grandma.

“ To my mother Mrs. Vocola Mitchell. It is with a heavy heart that I type this message. I'm grateful that God loaned you to so many for 95 years. You will live on in my heart forever. You can finally take your rest eternally. Psalm 30:5 For his anger is but for a moment, his favor is for life; weeping may endure for a night, but joy comes in the morning.
