

Warren Azakie Winston

July 23, 1979 - January 20, 2025

Warren Azakie Winston passed away on January 20, 2025. He was born in Roseau, Dominica and lived in Hallandale Beach with his wife Zerrickia Winston. He worked for the City of Hollywood as a Fleet Superintendent. He will be missed by his family and friends and all who had the honor of knowing him. Please keep the family in your thoughts and prayers during this time of bereavement. Additionally, you can support the family by leaving a note of condolence, sharing a memory, lighting a candle of remembrance, or ordering flowers for the service.

May these words sustain those who are burdened with sorrow:

Another leaf has fallen,
another soul has gone.
But still we have God's promises,
in every robin's song.
For he is in His heaven,
and though He takes away,
He always leaves to mortals,
the bright sun's kindly ray.
He leaves the fragrant blossoms,
and lovely forest, green.
And gives us new found comfort,
when we on Him will lean.

“ When I first met my son-n-law I told him "I don't like you." But he didn't care. I grew to love him. He was witty and he kept me on my toes as I did him. He was a wonderful person inside and out. He loved my grandchildren so much. He went above and beyond for them. He loved my daughter so much. She was his star to his night, and he was her night to her stars. He will be greatly missed in this family.

I want my babies to know (Zerrickia, Brandon, Branyan, Leilani) I got you. I always have. Just a little more this time. Remember that.

“ A real stand up guy that cared about others on the daily. I was fortunate to have met Warren Winston many years ago during my tenure as Union President with AFSCME Local 2432. He was a longtime member and later became a steward then an officer in OUR Local. As officers in the Union we do our daily work duties then take many hours out of our off time to pursue the employees rights and to defend them when needed. A Union officer risks retaliation, retribution and potential position stagnation. Warren was an integral part of our organization at the time and was on the negotiating committee between the Union and the City of Hollywood. We immediately became friends and this friendship continued for many years after my retirement. We would continue to talk shop, family matters, races which also included both our passions with cars. We went to car shows together and auto auctions and would just vibe together. You can measure the value of a man's friendship when one no longer has the position/power they once had and they remain unchanged. Warren did just that and would contact you just to see how you're life is going. A real one, a true friend and will be greatly missed by all that ever encountered him.

My thoughts and prayers go out to Warren Winston and his family and friends. Kept him and them in your positive thoughts. One Love!!!
