“ *We are sending our sincere condolences to Waulstine's family & friends for their loss. We are from Canada and Mary & Waulstine were long time friends and the loss of both of them has been heartbreaking for us. We know they are together resting in God's care. We are so happy we had a chance in May 2024 to reunite with them, share great conversation and laughs with a visit to them at their home. Cassie had not seen them for many years until then but always stayed in touch by phone and mail. Sending prayers for the healing of your hearts during this difficult time.*
