*So sorry for your loss. I did not know Wayne or Gloria that well, but I do know what they produced. A good man that I am happy to say is my son-in-law, Shelton Douthett. I can tell by looking at photos and the video that he was a present and loving husband and father. My sincerest condolences.*

“ *Big apple Wayne, one of the most talented drummers that I've worked with. My name is Gary Williams and my brother is neighbor of the family. We met when I was in a jam for an upcoming show for GOOMBAY FESTIVAL on the WEDR stage to be the opening act for BETTY WRIGHT and I had 2 back up drummers but I needed a show style drummer and when I said that Wayne said you need a power drummer and I knew he could do it and I had 1 rehearsal with the full band and my band was worried that we needed more time but the show was nearly flawless. Thanks to big apple Wayne, until we meet again, rest well my friend.*
