

Wayne Gregory Smith

August 10, 1991 - July 19, 2023

Wayne Gregory Smith was born August 10, 1991, to Laurette Henderson-Smith and the late Ernest Smith Jr in Hollywood, FL. Young Wayne was a member of Ebenezer Missionary Baptist Church of Hallandale where he accepted Christ. Wayne would regularly attend vocational bible school at Ebenezer Baptist Church and was later baptized there. He then went on to join Central Missionary Baptist of West Park, FL where he was a part of the youth usher board. He received his education from Miami & Broward County Schools. He attended Melrose Elementary, Earlington Heights Elementary, Allapattah Middle, McNicol Middle, Hallandale High & Hallandale Adult.

As a native of Hallandale, he participated in several youth sports such as Football, Track, Soccer and baseball. He excelled in every sport and was always one of the key players. As a young adult he grew a love for music and was an inspiring rapper. Wayne had the heart of a lion, very courageous, never backed down for anyone and always stood for what he believed in. Wayne took pride in his appearance and made sure to always keep him a fresh haircut, a Boosie fade to be exact. He loved getting dressed in the latest gear in which he would insist on someone taking him a picture. Wayne's time here was cut short, however in just 31 years he has made an impact on so many lives. Wayne never wasted a single day. He made every moment spent on earth count. Wayne always exuberated joy and happiness. Whenever Wayne was in the presence of the others, he automatically became the life of

the party and the center of attention. His smile and energy would brighten up every ones day. We will miss his goofy laugh, hyper personality and silly dance moves. Wayne was a people person and had no problem expressing his love for his family and friends. His unique style, charm and loving spirit will be missed by plenty. With bleeding hearts, we say see you later to our precious Wayne. Continue to smile down upon us to brighten our days and fill our hearts with your love. Rest now for God wanted you home, he will take the best care of you.

To rejoice in the celebration of his life are his devoted parents: Laurette Henderson-Smith and Ernest Smith JR (Who preceded him in his death) Grandmother: Runette Byrd. “ *Psalms 30:5 For his anger endureth but a moment; in his favour is life: weeping may endure for a night, but joy cometh in the morning. Tomorrow may not be our morning of rejoicing but according to His words its coming. My little cousin Wayne Im going to miss you. Ill cherish those memories of you, your dad and siblings when you all would come to GA and visit with us. We wasnt ready for you to leave us but God said your mission down here was complete. To my family continue to trust God and His process. Keep the Faith and continue to hold to Gods unchanging hands. Well understand this better by and by. Family I love you all.*

“ My beautiful baby brother. I never could have phathom me writing on a tribute wall about you. It hurts me to the core of my soul. My heart is shattered into a trillion pieces. My life will never be the same. But I take solace in knowing you lived your life to the upmost. And made sure everyone else did as well. When you entered a room all eyes on aka "Marlo" just what you like being the center of attention. And the life of whatever event is happening at that time. So would everyone else. He made sure of it. Baby brother you were truly truly loved. You also knew how to give love I will forever remember your tight bear hugs, kisses on the cheek, nagging, most of all hearing you say: every day "love you sis I'll be back". Rest My Baby Brother. May God Forever Cover you with his Continued Love. You Will Live Forever through Our Family and the many lives you have touched on your short Amazing Journey. Love You My Baby Brother From the Crown of You Head to the Soles .of Your Feet. There will never be anyone who can take your place and the unconditional love we shared as siblings. Forever your Super Big Sister Gwendolyn Smith i, Well Done

“Baby brother I could have ever phathom me writing on a tribute wall about you. This is the one of the most difficult task I've ever had to do. Because of the many beautiful memories I have I am able to. There isn't enough space for the many fond memories we have shared . Baby brother, my love for you has never wavered. Having you in my ife has been the most wonderful blessing I could have ever wanted.. Wayne. Our love for each other was unconditional an unbreakable bond as siblings. You have been nothing but joy. You lived your life to the fullest. Enjoyed every minute of it. Everywhere you went you exhibited your zest for life. Everyone knew when aka "Marlo" was around, there was definitely going to be good vibes, lots of fun, and he is the center of attention. Just like he wants. All eyes on him. Baby brother I am will never forget your Handsome Face, Big Smile, Nagging, Tight Bear Hugs, Kiss on the Cheek, and most of all these words daily "I love you sis and I'll be right back"" this you said everyday. Take Your Rest. May God continue to Cover you with his Love Forever.. Thank you for the 31 short years we had. Will Love you from the.Crown of Your Beautiful Head to the Sole of your Beautiful Feet.
