“ *Oh my God! Just found out that Will passed on. Iâ€™m so overwhelmingly sad. He was my partner at work and stayed at my house during his divorce. I love him so much! He helped me during a very bad depression I was in. He always was there for me. When he stayed at my house, he cooked dinner every night. I never ate so good! I will miss him terribly, I know he is with God. God Bless You, Will I will see you again when itâ€™s my time to return home.*
