“ *How can one sum up 36 years of memories. I'm going to really miss all of our conversations...you really were one of a kind. And if I knew our last conversation would be the last I would've talked a little longer.Â One thing I could say is you lived life while you lived and I'm going to take that lesson and do the same. I'll forever make you proud. I love you daddy â ƒi,*

“ Hey Granddaddy. Imma miss you and all your crazy jokes. Iâ€™ll never forget your favorite story to tell me was how I was a baby in the hospital and as soon as you walked by my incubator I noticed you ðŸ’- You was so excited and Iâ€™ll always remember how when telling that story you were so touched and it meant so much to you. It meant so much to me too and Iâ€™m glad you remembered it. You always tried to make everyone feel special in their own way. I love you so much granddaddy. I know youâ€™re in a better place now.

“ I met you in 1993 Bus Class at MDT... (the problem child in the class with all the questions) we fussed at each other all the time, but we respected each other. We made it through training and became friends. I haven't talked to you in a while. But I celebrated our class every year. RIP my friend. Joy W. Ayers Badge # 1847 MDT 1993
